The person is on the left, and the dog is on the right. The view outside the window shows trees and a landscape. The text is overlaid on the bottom left of the image.

## *"Let Observation*

## *With Extensive View . . .*

As we open our view to the many things about us, we see and observe our friends, teachers, subject matter, and overall school life revolving on the central axis of learning. . . Learning to do, to strive, to live rather than to exist in a world of change and upheaval.

*Remark each anxious toil,  
Each eager strife . . .*

We strive for success, for achievement, for victory. In the electric thrill of the ballgame, the spirited encouragement of our cheerleaders, and the united cause of the fans, is pictured the striving for attainment of victory. In the flying fingers of typists is contained the anxious toil for achievement; and our dedicated lunchroom personnel and custodians reflect a desire to reach perfection in task assigned. All around us burns the flame of competitive spirit and the strife for fulfillment of purpose is apparent in every phase of school life.

*And watch  
the busy scenes  
of crowded life.”*

The day's activities . . . study, plan, discover new ideas in each part of life's maze of mysteries . . . the familiar voices of friends, the comforting routine of a day at Greenwood High . . . memories that we can retain throughout fulfillment of destiny.

## *P.T.A. Officers*

President, Mrs. Estelle McKinney; Secretary, Mrs. Claude Hollifield; Treasurer, Mrs. Bryan George, and Vice-President, Mrs. Frances Barnwell, not pictured.

## *Alumni Officers*

President, Joe Kaylor; Vice-President, Carroll Hemphill; Recording Secretary, Mrs. Clinton Dockery, and Corresponding Secretary, Mrs. Willette Lawing. (Mrs. Dockery and Mr. Kaylor not pictured.)

*We Dedicate . . .*

*Mrs. Margaret B. Norris*

It would be impossible to estimate the number of ways in which she has made our days a little brighter, our paths a little easier to travel, and our lives a little more worthwhile. In her pleasant way she has grown close to each of us, giving, as she does so, a spark of that unlimited supply of sunshine she possesses. For each measure of goodness that we have received from her may we also radiate goodness. From the bottom of our hearts, Mrs. Norris, we thank you for your warm friendship and sincere dedication.

# *Our Principal*

Our new principal, Mr. Granville K. Hartley, came to us at the beginning of this year. He has quickly adapted to the hustle and bustle of Glenwood life, as we have adapted to having him here. It is the hope of all concerned that, with his interest and guidance, our school can continue to grow and improve.

May we each strive to bring about this improvement by cooperating with our new principal in his continued efforts.

## CLASS OF '67

As we near the end of childhood,  
We see we're only at life's start;  
And the harvest is before us  
As from Glenwood we depart.

Even though our hearts are saddened,  
It is a step we all must take  
To start our course on the road of Life  
For a brighter tomorrow's sake.

Though in our paths there shall be sorrows,  
There'll be also joys sublime,  
Each man's his lofty master  
Traveling o'er the sands of time.

If ye deserve ye shall be reapers  
If ye falter . . . gleaners be,  
It's up to the Class of '67  
To leave a mark to posterity.

The Class of 1967 has an enrollment of 73 students and one of the largest graduating classes in Glenwood's history. The influence of its members upon the school will be felt greatly in future years. Both the scholastic achievement and social effect of the Class of '67 will live on to promote Glenwood's forward progress.

## MOTTO:

"Let he who deserves it reap the reward."

# *We Wish to Remember . . .*

*Thomas L. Blackburn*

The Senior Class of 1967 along with the Nushka Staff wish to express sincere gratitude to a man well liked and admired by all those at Glenwood with whom he has come in contact. Thomas L. Blackburn began his teaching career at Glenwood High in 1961 as a Seventh Grade teacher. Those Seniors who had the opportunity of being in his class now look back with fond memories at the new realm of studies and activities which he opened for them. His desire to help and his ability to make us smile will continue to warm our hearts for years to come. Though Mr. Blackburn is no longer a member of the Glenwood faculty, we will always remember him. Thank you, Mr. Blackburn, and continued success!

The Glenwood baseball team is looking forward to a successful season this spring. The starting line-up will include last year's regulars as well as some new faces from the Freshman class.

Baseball is a sport of spirit--a game of inches and split-second decisions. It is the kind of game which builds men, both physically and mentally, and provides the fan with an electrically-charged entertainment to be found nowhere else. As our "diamond-dazzlers" take the field this spring, we'll be rooting for them!

The Glenwood girls' softball team, first to compete with teams from other schools, was organized just a short time ago. It is composed of girls from each high school class interested in athletics. This team, showing much ability, paves the way for further new extensions of our athletic range.

COACH: Miss Judy Cummings

As work on the 1967 NUSHKA draws to a close, the school year also moves closer to its ending. It is the hope of the entire staff that this issue of the NUSHKA may record memories to be relived--some future day in perhaps some place far from Glenwood, these few pages may carry your thoughts back to Glenwood High.

**CONGRATULATIONS**

Electricity is the biggest bargain in your budget!

While ways to use electricity go up, costs go down! There are now 162 residential uses of electricity to improve your standard of living, and they cost less now to operate. Actually the average cost per unit of residential electricity has gone down more than one third in the past ten years. Check for yourself: Divide the next bill you receive by the number of uses in and around your home. Then you'll see why Reddy's wage is the biggest bargain in your family budget.

Switch to ELECTRICITY for a better life.
